MEMORANDUM FOR THE RECORD

SUBJECT: Instructions to Lockheed and Hycon

25X1A5a2

25X1A9a

25X1A5a2 1. This is to note the instructions furnished [redacted] West Coast Security Officer, for relay to Messrs. [redacted] Lockheed Aircraft Corporation, and [redacted] Hycon, on 19 November.

2. Set forth below are the instructions given to [redacted] to relay to 25X1A9a these officers:

A. Advise them that the residence addresses of their respective employees were released to the Press by Headquarters Command, USAF, with our approval.

B. Request that they notify the next of kin of the employees involved that no additional information has been developed and that rescue efforts are proceeding slowly due to weather and terrain conditions.

25X1A6a

25X1A9a C. Request them to obtain an abstract of dental and medical histories to be forwarded to [redacted] on 21 November in the custody of [redacted] 25X1A6a

D. Advise them that the firms involved should arrange with the families of the deceased to send some individual to [redacted] to escort the remains to the point of final disposition. In this respect, the respective companies should incur pertinent costs, including travel and personal expenses. These costs will be recognized as allowable within the contracts between the firms and this organization. A letter from the Project Contractor's Office setting forth the authorization for this expenditure will be immediately forwarded.
